Presenter Biographies

Dr. Aryusri Kumbunlue

*Assistant Secretary General, Supervisory Standard Development
Office of Insurance Commission*

Dr. Aryusri brings over 15 years of experience from the Office of Insurance Commission, where she held various positions. Her legal background has been instrumental in drafting insurance legislation, rules, and regulations on prudential matters. These include regulations on risk-based capital, valuation, investment, technical reserves, and market conduct affairs. Dr. Aryusri also possesses expertise in the compliant handling of disputes between policyholders and insurers through conciliation and mediation. Currently, she leads the Supervisory Standard Development Department, which is responsible for developing risk-based capital, technical reserves, Good Governance and Risk Management regulations for insurance companies.

Hassan Scott Odierno, FSA

*Partner
Actuarial Partners Consulting*

Hassan Scott Odierno has been a partner with Actuarial Partners Consulting since 1996. Hassan's work involves life insurance and Takaful in Malaysia as well as a variety of countries in the developing world. He is currently leading Learn@AP, the training arm of Actuarial Partners and has put together online training programs ranging from life actuarial science, IFRS17 and Takaful. He is currently on the Society of Actuaries (SOA) committee on societal purpose and in the past was on the Greater Asia Committee of SOA as well as the diversity, equity and inclusion committee. Hassan leads a team who have assisted in IFRS17 implementations in Brunei, Malaysia, Labuan, Kenya and Uganda, are currently assisting in IFRS17 implementations in Malaysia, Thailand and Cambodia and are performing the regular calculations for a reinsurer in Malaysia. In addition Hassan has been part of the external actuary team of Actuarial Partners to Jordan which included incorporating IFRS17 into solvency regulations, and is currently assisting Maldives in incorporating IFRS17 into Risk Based Capital guidelines for the UNDP.

Hsi-Ling Yang, FSA, CERA

Chief Actuary

Thai Life Insurance

Hsi-Ling has over 14 years of experience in the life insurance industry. He has joined Thai Life Insurance Company and been appointed as Chief Actuary since 2021.

He is also leading the Investor Relations department in Thai Life, handing the communication to investors and analysts for the company's financial and operating performance. Hsi-Ling is a Chartered Enterprise Risk Analyst and a Fellow of the Society of Actuaries, and a Fellow of the Society of Actuaries of Thailand. Prior to joining Thai Life, his experience includes working as Pricing Manager, Head of Monitoring and Projector team, Head of EV team, Head of IFRS team, and Head of Financial Management at AIA Thailand from 2014 to 2021 and Senior Actuarial Specialist at Cathay Life Insurance Company from 2010 to 2014.

Tommy Pichet, FSA, FIA, FSAT, FRM

Managing Director, Actuarial Business Solutions

Board Member, The Society of Actuaries of Thailand

Tommy Pichet, FSA, FIA, FSAT, FRM is a seasoned qualified actuary from USA, UK, and Thailand with over 25 years of experience across Asia in insurance and finance industry. He holds two master's degrees from City University of Hong Kong in Financial Engineering and MBA.

He also holds Financial Risk Manager (FRM) and passed Chartered Financial Analyst (CFA) level 2. His key leadership positions and awards in the past are Director of actuarial department in AIA Thailand, Chairman of Actuarial committee of Thai Life Association Assurance (TLAA), Board director of Insurance Premium Rating Bureau in Thai General Insurance Association (TGIA), Secretary General of Federation of Insurance of Thailand, Young ASEAN Manager Award (YAMA) in 2012 from ASEAN insurance industry, National Statistician Award in 2016 from Thai Statistical Association, the President of The Society of Actuaries of Thailand (SOAT) for 6 years, and last but not least the Quality Persons Award of the Year 2022 from Foundation of Science and Technology Council of Thailand (FSTT).

As now, he currently is Managing Director of Actuarial Business Solutions (so called ABS) which is consulting firm to solve business problems using actuarial skillset across industry.
